Society Notes

It has become the custom of the Catholic Ladies of St. Theresa church of Earlville, to give an autumn festival of some kind each year, and to hold the same annually during the month of October when possible. Last year the event took form of a bazaar, lunch and dance. This year the ladies are making elaborate preparations for an old fashioned supper to be served country style, and the young people to give a dance in the evening. Mrs. Ed. Graham, Mrs. John Catlin, Mrs. Arthur Brock, Miss Katie Moore, Mrs. James Leonard, Miss Agnes McManus and Mrs. Will Leonard each with her trio of assistants will be in charge of the tables and of the good things offered. Mrs. A. P. Weiss and Mrs. P. J. Cruise will assist generally in welcoming guests and making every one feel at home. A general good time is anticipated.

Tomorrow night will be the last dance of the season at Starved Rock. The attendance this year at the dances held in the State Park has been greater than ever before. Every dance night brings score of people from all the surrounding towns for these dances, and the dance tomorrow night will undoubtedly bring out a banner attendance, being the last one of the season.

A thimble party will be held Tuesday night for the members of Westminister Guild at the home of Mrs. Robert Dwyer on Clay street. Articles for the Presbyterian exchange, to be held in December, will be made at this time. Light refreshments will be served by the hostess.

The Tuesday Study Circle of the Ottawa Woman's Club will meet Tuesday afternoon at 2:30 at the home of Miss Louise Grove, 327 E. Washington street. Mrs. C. P. Sims will read the paper of the afternoon on the life and works of F. Hopkinson Smith.

The Ladies of Wallace will hold a knitting part Wednesday afternoon, October 17 at the home of Mrs. John Doherty. This meeting will be to knit for the soldiers that have gone from Wallace to the different training camps. Several very capable instructors have been engaged to teach all those desiring to learn to knit. All members of the Wallace Red Cross and their friends are invited to attend this part.

Emergency Shoehorn.

Once when I had been in swimming I found myself without a shoehorn, but a friend showed me a little trick that applied my need. Simply fold your handkerchief two or three times and lay it on the shoe at the heel, holding one end of it. As you press your heel down into the shoe gradually draw on the end of the handkerchief, and when the heel is nearly all the way down draw out the improvised horn. The shoe will slip on the foot easily. Popular Science Monthly.

Dangerous Assertion.

"I don't care what the newspapers say about me," exclaimed the reckless statesman.

"I regret to hear you say that," replied Senator Sorghum. "That declaration is always an indication that some private opinion is more important to your interests than public opinion."—Washington Star.

Not so.

Miss Gladys Elliott, of La Salle, has been engaged by the Christ Episcopal church to sing for four weeks, he in turn tomorrow morning.

SELF DENIAL.

The key to success in any department of life is self denial. Idleness, laziness, wastefulness, come from lack of it, while industry, promptitude, economy, thrift and a successful career are the result of it.

WOULD-BE SUICIDE ON WAY TO RECOVERY AT RYBURN HOSPITAL

Peter Roiland, who attempted to take his life, by cutting his throat with a safety razor Thursday night at the home of C. Erickson on the Dan Arentzen farm in Freedom township, is resting easy and is expected to soon recover. At Ryburn Hospital today it was stated the worst effects of Roiland's injuries was from the great amount of blood loss, between the time of his self-inflicted wounds, and his discovery by Mr. Erickson.

Roiland, who had only been in this country a few weeks and was employed as a farm hand at the Levi Thorson farm, went to the home of Mr. and Mrs. Erickson, while they were in attendance at a nearby wedding, and entering the house, slashed his throat with a safety razor blade. Mr. and Mrs. Erickson discovered him there upon their return home and summoned Dr. C. C. Lawry. He was brought to Ryburn Hospital in this city and Dr. A. J. Roberts was called to attend him.

No motive has been discovered for the attempted suicide.
